

Wedding FAQ:

What's the cost? – Contact Kyle for an accurate quote, but most Twin Cities weddings end up around \$5-6K.

Can I have a live band AND a DJ? – Yes! Kyle and Anthony DJ for free if you hire the band. We take care of social hour, dinner, announcements, and band breaks.

What's the difference between the Hitmen and the All-Stars? - They're carbon copies. Same music, equipment, options, and pricing. We have two bands so we can perform at two events each night.

What instruments are in the band? Male Lead Vocals, Female Lead Vocals, Guitar/Vocals, Bass Guitar/Vocals, Keyboards/Vocals, Drums, Sound Engineer. So you get FIVE vocalists. Add the 3-piece Horn Section to blow the roof off!

Do the musicians rotate, or is it the same people each night? - We have permanent band members, so you know exactly who you're getting. If someone goes out of town or is sick, we have a deep bench of professionals we pull from.

Do you travel? – The Riverside All-Stars do! The Hitmen rarely travel. We pay our All-Stars for travel time, hotels, and overnight fees, so most travel shows add \$2-4K.

How long does the band perform? – Up to a 4-hour dance. Kyle and Anthony DJ 3-4 hours beforehand for up to 8 hours of music and announcements.

Can you take care of my Ceremony? – Yes! We have a flat rate of \$500 for Ceremonies, which includes an additional sound system and DJ/Sound Tech.

Will you learn our special song? – Yes! We learn 1 song for every couple, and you can choose from any of the songs on our website.

Can I see you perform? – Check our calendar for our gig schedule! We mostly perform at private events, but we have public shows every so often.

Can my uncle Larry sing with the band? - Maybe. We try to keep things professional, but it's your wedding! If you say he's amazing, let's talk.

How much time to you need to set up? – 3 hours. 45 minutes to tear down.

What's the deposit? – \$500 via Venmo, PayPal, or Check.

Do I need details worked out before I sign? – Nope. We'll help you plan the details down the road. We can always add options later (but not subtract them).

Is there fine print? – Yes. We need electricity, parking validation or reimbursement, and a meal/drink per band member.
